### Technical Features

Body	ABS
Degree of Protection	IP65
Operating Temperature	-5°C to +125°C
Mechanical Durability	5 x 10 <sup>5</sup> operation
Electrical Durability	1 x 10 <sup>5</sup> operation
Rating Operation Voltage Ue	250V AC
Rating Operation Voltage Ia	4 A
Rated switching power - IEC947-5-1	1000 VA
Insulation Voltage Ui	300 V - Uimp 2.5 Kv

Description	Order Number
2 operators + emergency 1NC	
Single speed push buttons	060PM2S1
Double speed push buttons	060PM2S2
4 operators + emergency 1NC	
Single speed push buttons	060PM4S1
Double speed push buttons	060PM4S2
6 operators + emergency 1NC	
single speed push buttons	060PM6S1
double speed push buttons	060PM6S2
8 operators + emergency 1NC	
Single speed push buttons	060PM6S1
Double speed push buttons	060PM6S2
3 operators	060PM3
5 operators	060PM5
7 operators	060PM7
